# PRICE-LIST

Glen Saint Mary Nurseries  
Company

1923-1924

Glen Saint Mary, Florida  
Winter Haven, Florida

## **INTRODUCTION**

As is usual, our annual catalogue for the planting season 1923-1924 will be issued in October, 1923, under the dating 1924. The prices given in this price list are the same as will appear in our new catalogue and will remain in force until May 1st, 1924.

The planting season for all trees and shrubs grown in the open field is from November to March; balled plants, bamboos, grasses and potted plants may be shipped at any time. Orders for all classes of plants should be placed as early as possible as there is danger of some varieties becoming exhausted before the shipping season opens.

Our new 1924 catalogue will contain valuable information as to the proper planting and care of trees for commercial purposes, and also of trees, shrubs and ornamental plants for beautifying the home grounds. A copy will be mailed you as soon as it comes from the press. No prospective planter should be without it, and if it does not reach you another copy will be sent promptly upon request.

## Large Trees and Shrubs

In the previous pages we have listed only the regular sizes of trees and plants. Frequently our customers desire special, large size specimens. We have these on hand, in nearly all lines of stock, and shall be pleased to furnish quotations upon request.
